“ *When I was a kid attending Trinity, my mother served funerals with Doris whenever Ladies Aid was in charge of the meal. I have therefore known Doris for most of my life. She was a lovely friend to my mother for all of those years as well. Dale would help her at many of those funeral meals, too. He was sweet and kind to her, the years they were together. I haven't seen her as often in recent years since moving from Grand Island, but any time I did see her, I made a point to visit with her. I was sad to read of her passing, but know that she is with the Lord and her loved ones. And she is at peace. Sorry that I could not make it to the visitation or funeral, but I certainly thought of Doris on Monday. She was a lovely lady. You are all in my thoughts and prayers.*
