“ *I have a lot of good memories with Doug. He was a good seed with a big ole soft heart. My family had many good times hanging out with him. We were all shocked when we learned of his passing. We knew it could happen, but I guess we all thought that we would still have plenty of time with him. It's a sad time right now. He was a good loyal friend. Rest in Peace Dougie. We will all miss you.*

“ *Doug was a good friend of my brother, Jerry Ewing. They loved to fish, bar-b-que, and just hang out. They may now be reunited for eternity. Please accept our sympathy for your loss.*
