

Dr. Larry "Joe" Marshall

December 16, 1942 - August 27, 2020

Dr. Larry "Joe" Marshall, 77, of Grand Island passed away on Thursday, August 27, 2020.

Service and celebration of Dr. Joe's life will be 10:00 a.m. Saturday at Trinity Lutheran Church. Burial will be in Grand Island City Cemetery.

Visitation will be from 5-7 p.m. Friday at All Faiths Funeral Home. CDC guidelines and social distancing will be followed; face masks will be required.

Memorials are suggested to the Salvation Army or Trinity Lutheran School.

Joe was born December 16, 1942 at Bassett, NE, the son of Wayne and Doris (Hester) Marshall. He graduated from Kearney High School, attended

Kearney State, and went on to graduate from University of Nebraska Medical Center. Dr. Marshall completed his residency at Kansas City Mercy Hospital.

On January 26, 1963, Joe married Jan Martindale and they had 4 children.

The couple moved to Jacksonville, FL when Joe enlisted in the Navy. He was honorably discharged as a Lieutenant on May 19, 1972. After completing his

residency, the couple then moved to Grand Island in 1974. As the first pediatrician at Grand Island Clinic, Dr. Marshall created the Neonatal

Intensive Care Unit, the first of its kind in central Nebraska. If you were one of his patients, you knew the exact drawer the "Smarties" could be found in.

Over the years, he tirelessly helped others, volunteering for physicals with

Jaycee Football League, Salvation Army, leading grief classes, teaching bible studies and serving on a variety of boards at Trinity Lutheran Church, etc. Joe

helped because he loved people, and he gave of himself and his time freely.

Joe was a member of Trinity Lutheran Church, joining in 1982, and his faith got him through many trials throughout his life. On July 30, 2016, Joe married Sandy (Thompson). Joe's children would like to express their appreciation for the love and care she extended to their father.

In the remaining free time he did have, he was an accomplished tennis player, loved to hunt, and spent many evenings playing games with his family.

Though his time with us was shorter than we would have liked, we have been blessed with a lifetime of memories with him.

Those who will cherish his memory include his wife, Sandy; children, Traci (Billy) Fleischer of Cozad, John (Nadia) Marshall of Chula Vista, CA, Joey Marshall of Ravenna, Timothy (Sunny) Marshall of Woodbury, MN and Gina (Cory) Lyons of St. Louis, MO; grandchildren, Dennis (Sherry) Wilkinson, Brandi (Thomas) Fenn, Natasha (Josh) VanOss, Dereck (Alena) Rosas, Trevor Fleischer, Larry Marshall, Alex (Gaby) Marshall, Austin Marshall, Allison Marshall, Abbie Marshall, Hannah Marshall, Analyse Lyons and Porter Lyons; many great-grandchildren; brother, Dave (Clara) Marshall of Kearney; sister, Marie (Keith) Danburg of Kearney; and many beloved nieces, nephews and extended family.

He was preceded in death by his parents and his first wife, Jan in 2015.

“ *Dr. Larry "Joe" Marshall*

“ *Our hearts go out to Joe's wife Sandy and his children. Joe was a great pediatrician for our children when we lived in Grand Island. He arranged for the best oncologist at U of NE Hospital when our son Scott was diagnosed with Hodgkins. We spent great times in his home playing pinochle with him and Jan. God's peace through the resurrection of our Lord and Savior Jesus Christ. We have not lost him, but we will see him again in our heavenly Father's house. Love in Christ, Rev. Howard and Jan Shane and family.*

“ Dr. Marshall was always an amazing man in all aspects of his walk of life. He was my pediatrician was I was a young boy. He was always positive and treated me like one of his own family. When the schools and sports teams would talk about how I didn't fit in because I was "too big," he was the one that was always there to reassure that it was nothing like that and it was simply because of the size of my stature along with the size of my dad. Dr. Marshall always cared for everyone even outside of the clinic. I remember seeing him one day at the dental office and was still known by name and was just the same as ever before!!!! You are a prime example of what we should all strive to be. True example of selfless service!!!! You will be dearly missed!!!! RIP Dr. Marshall!!!!

“ Remembering the memories of a truly wonderful man. We had the privilege of having Dr. Marshall with our daughter, Sarah. She was a premie. Love the trust that Dr. Marshall had in us as parents to bring her home at 3#14oz. Treasure all the times in his office that was always a joy. Sending hugs and prayers to Sandy and his family. He will be missed.

“ My family will be forever grateful for Dr Marshall's knowledge on preemie babies. Our daughter was born in Oct 1975. She was 3 months early. Right after her birth they knew she would need extra care in order to survive. With the help of Dr Marshall and the staff at St Francis, we were able to bring our daughter home on Christmas Day. I made a deal with Dr Marshall... he said if I found a Christmas stocking big enough I could bring her home..so after 63 days she came home. Thank you The Whaley Family

“ Oh what fond, wonderful memories Brian and I have leading contemporary worship in the gym at Trinity Lutheran "back in the day" where we could always count on Jan & Joe being an active part of the assembled worshippers!

As I designed, rehearsed and led the worship/music in the "new" setting, they were both so faith-filled and appreciative of our offerings to the Lord each week.

Joe's passion for life, his willingness to set his career aside and care for dear Jan are a stark reminder to us and how to be Jesus with skin on.

May his family, including Tim and Joe, follow in those footsteps as the torch is passed to the next generations. Joe certainly took the road we each must find.

Radical for Jesus,

“ Dr. Marshall was the best doctor for our 3 boys from 1982-1986 while we were The Salvation Army officers in Grand Island. We remember Dr. Marshall as kind, great with the boys, and generous to helping kids get a physical to go to camp. We appreciated his care for our kids and his staff as well. Prayers and blessings for his family and loved ones, and for all of us who knew the great doctor and friend we had in Dr. Joe. Majors Kevin and Christie Van Zee, John, Adam, David.

“ Dr. Marshall delivered me 44 years ago, and according to my mom, he saved my life. I always remember his big smile and his hugs. Somehow being little I still remember the smell of his cologne. And of course I cant forget the smarties. Heaven has sure gained an amazing angel. Prayers to his family, we are so sorry for your loss

“ Joe Marshall is the kindest and smartest man I think I have ever met. There was just something about him that lets you know he was "good" all the way to his soul. It was never an act. It was just who he is was. He has touched so many lives and he will be missed by so many. My thoughts and prayer to his family.

“ Dr Marshall was my families pediatrician for many years. My boys loved him, his soft voice always calmed them down. When my first son was born 3 months early he was there all hours of the night checking his vitals. And when we lost my son to SIDS at 17 months he went over the autopsy report with us to assure us there was nothing we did wrong. I remember him saying, Vicki even if I had been standing there with all the machines I couldn't have done anything. I loved Dr Marshall, he was definitely one of a kind! My deepest sympathy to all his family!
