Dylan was born on February 22, 1997 in St. Paul, eldest son of Todd and Genesa (Ritchie) Dzingle.

Those left to cherish his memory are his parents; brothers, Hayden Dzingle, Nolan Dzingle, and Emmett Dzingle, all of Hastings; grandparents, Ervan and Marge Dzingle of Loup City, and David and Joni Ritchie of Sargent; aunts, Amy (Jason) Niemoth and children, Makenna and Carson of Hastings, Tanya (Brian) Dzingle and children, Mackenzie, Justice, Jacie, and Ava of Hastings, Melisa Ritchie of Doniphan; uncles, Jonathan (Veronica) Ritchie and child, Justin of King George, VA, Simon (Lacie) Ritchie and child Zane of Kearney, Matthew (Jenny) Ritchie and children, Gracie, Kegan, and Ira of Litchfield; great grandparents, Jerry and Ruth Sloggett of Loup City and Rose Lewandowski of Loup City; and Dylan's special friend and caretaker Dwayne.

He is preceded in death by Viola Brim, Pearl Stevens, Bud Maiefski, Gilbert and Irene Dzingle.

Dylan received his education in Grand Island where he attended Stolley Park Grade School, Barr Middle School and Grand Island Senior High School.

Dylan had an amazing smile and a contagious laugh. He never met a stranger. He had a way of working his way into your heart like only he could. Dylan's eyes were a window into his soul. He loved his family and his dogs, Chase and Dodger. He loved watching the Huskers and he loved to shop. Dylan had little control over his day to day life but the one thing he never let anyone control was his clothes. Many mornings were spent studiously dressing him to his precise liking. The family requests, in honor of Dylan, that you wear something red.

Dylan's family would like to express their appreciation for the care that was given to Dylan throughout his life. Though his time with us was short, his impact was immeasurable!

The family is requesting that in lieu of flowers memorials may be designated to the family to assist in establishing a scholarship in Dylan's name.

“ *Dylan will forever be my first love. Joking about getting married, putting "I like girls with blonde hair" on his dynavox, and coming up with some crazy treatments just to hear him laugh will always be my most cherished memories as a friend and OT working with Dylan. I love you Dyl and I will always regret choosing to marry Shade over you! Can't wait to are you in heaven. Love, Kari*

“ Genesa, this is so crazy but just last week I thought of Dylan. That young man touched my heart in a special way. I remember his infectious smile. I'll never forget taking our preschool class roller skating. Dylan wasn't able to skate but seeing him out there in his pony walker keeping up with everyone else and having the time of his life was so beautiful. You, and your family are in my thoughts and prayers.

*I am so sorry for your loss.*

“ I feel so very blessed to have been Dylan's para from kindergarten through 2nd grade at Stolley Park. That smile, those expressive eyes, that laugh that started at the bottom of his toes and made everyone who heard it smile were some of the things that made him so special. And the way he would look at you when something struck him as silly....oh my goodness, let's not forget the freckles :) Dylan and I still crossed paths when he attended summer school at Walnut. He would always have a smile and a squeal when we saw one another. But he always seemed the happiest when I would ask him how Mom and Dad, Aunt Melisa and "those little brothers" were doing! Dylan will always be a bright spot in my life. Sending prayers, sympathy and hugs to all of you. That young man was one in a million.
