“ Through my friendship with Liz during our high school years I was blessed to know her mom Wilma, brother John and sister Chris. And then Chris and Dan honored me by asking me to sing at their wedding.

*I came to understand why compassion and humor were so important in all their lives. No doubt Liz brought those qualities to her Army career. And I'm sure the Army was better for it.*

*I know I was better for knowing Liz and her family in my early years.*

*I regret that I did not stay in touch with them.*

*I send my sympathy and wishes for blessed memories to all who loved Liz.*
