“ *Connie, Gary, and families*

We are so sorry for your loss. I can remember being at the house years ago. Marian was scolding Everett for "stashing" candy in his chair; I don't remember who helped him get the candy.....he just sat there and smiled.

We will be thinking of you John and Karen Helms

“ *Thoughts and Prayers to all of you-- He will forever be missed by myself as well as my girls. In the 6 months that I was blessed enough to have him in our lives, he made a huge impact. He wasn't only a mentor, he was also an inspiration and one of the strongest men I know. I will forever miss our talks, his voice and that million dollar smile he had. Our talks absolutely made me smile.. if it was just talking about how PROUD he was of his grandkids and how much he loved each and everyone of them so much, to the famous "banana cream pie recipe" he gave me. I will forever miss and love you more than anyone will ever know.*

If tears could build a stairway and memories a lane, I'd walk right up to Heaven and bring you home again.

Forever "my girl"
