“ What a shining soul this world has lost! I'm so thankful Flossie came into my life. I remember meeting her and just thinking what an incredible ball of energy she was. Even in her weakest days she was so happy, optimistic and cheerful with her beautiful smile! She lit up my day any time I seen her and therefore will forever light up my life! I have no doubt her family will feel her energy for their eternity! What a beautiful woman inside and out! My thoughts and prayers are with Chuck and the rest of the family.

“ My heart is heavy with this loss. What great memories I have of my cousin Floss! I would sometimes stay with her in the summer for a week. We had such fun going to the movies (a very young Michael Landon starring in "I Was A Teenage Werewolf"). What a treat for her "city" cousin from Broken Bow. Her laugh will remain in my heart forever.
