“ *My Aunt Florence was always a shining light in my life. She had one of the best sense of humor, and I will never forget her love. She was one of the people that I always felt safe around, and her teasing my mom always brought a smile to my face. My time spent with her and my cousins is some of my best childhood memories! I will miss her incredibly. My heart is breaking right now for my cousins, please know my family and I are sending you love and support from Colorado. I'll eat a bowl of bran cereal for you Aunt Florence, I hope your smiling looking down from heaven, once more from that joke.*

“ *It was a sad day when my dad told me Aunt Florence passed, but then I remembered I got to spend time with her last year. She and no problem telling stories and keeping up with the questions her "Jimmy " aka her brother asked her! We laughed and laughed at the stories they would tell! She always had a laugh to remember and it was still the same. I remember the good memories...wait not so good memories of her cleaning my teeth and teasing me in her dental chair! I now realize that chair was more fun than the one now ! Thank you for the fun memories Aunt Florence and keep them laughing in your new home!
All my love, Tammi Gunterson (Casteel)*

“ We were greatly saddened to hear of the passing of Florence. We first met Florence in the late 1970's when she worked as a hygienist in my dental office. She, Harley, and the Kids, h were a beautiful family. Her family was the most important thing in her life. We all remember: The Night of the Twisters!! Florence had the best stories. Her aunt wrote a book about them. Florence was a very proficient hygienist. She was very caring and conscientious. She had a way of calming a frightened patient. Always a smile and a kind word. Children loved her and so did everyone else. Lynn and I give our condolences to the family and friends left behind. Best Wishes and Prayers, Jon and Lynn Zajicek PS Would be there for the service, if not for the virus.

“ I am so very sorry to hear of the loss of Florence. She was a very nice lady. I remember her from the days when she had a little Ford Falcon and would drive through the Whirl a Whip in Hastings. Some of her friends lovingly called her "Flossie " I was honored to be a part of my good friend Leo Meyers and Florence's wedding. I talked to her years later at Mid Nebr. Speedway. She was always happy and friendly She will be greatly missed. I send my condolences to all of her family. May God grant you peace. You are in my thoughts and prayers.
