“ Fred, in the 10 years ive known you, you made my laugh over half that time, you were a good prankster at the motel and always had a funny joke to tell me when I got off work, you put a lot of time and hard work in that motel you made it a pleasure to live there it was impossible to fill your shoes when you left so I just did the best I could. I know you were so proud of your family and your sons that Ive had the pleasure of meeting and working for, well lets just say you did an awesome job while you were here. I feel very lucky to have had the time I spent knowing you, your so missed by a lot of people. Rest in peace Fred. Toby
