“ *I first met Freddy when I was on a job in Grand Island. I walked into a restaurant and as I passed Freddy, he said to me, "Who are you?". That started the conversation, and we have remained good friends, over the years, since. I live in Mo., so we kept in contact by phone. Freddy was sure a "bright spot" in my life. We shared many stories and laughs. May Freddy rest in peace, his suffering is over. Love, Andy & Connie Chapman*
