“ I'm so very sad to hear of Uncle Gary's passing....He was my dad's (Tom Clerc) nephew, but my dad was more a brother to him....he was so good to me in all our visits back from Germany while my dad was on leave from Army or in between assignments....Gary was always there and so good to my parents when they retired and moved to York....I always loved you Uncle Gary , you were so good to all who knew you! My sincere condolences. Conny (Clerc) Yeutter

“ I am so sad to hear that Gary has passed away. He was my first-seat driver for Yellow Freight for the last 3 years before I was laid off. Gary was a sweet man. We would trade stories of our Army days and laugh. Gary and I stayed in touch after I was laid off, my husband and I would visit Gary when we were in the area of Grand Island. May your memory be eternal, Gary.
