“ I always loved Gary's smile and fun antics. He was always happy and adventurous. Meeting him through our church, at that time, he exemplified great faith. I always loved hearing the stories behind his recent tattoos.

*He will be missed.

“ Gary was my favorite Uncle, he was such a joy to be around. I will truly miss him. He was very close to his sister Shirley Shick (my mother). They will now be able to be together again. Gary, I love you, and give my mom a kiss for me.

“ Gary always had a smile to share and I will miss being called Troy's daughter by Gary each time we saw him. His work with others was a great source of inspiration to me and my road to recovery.
