“ I met Gary at the Mini-Nats in Lincoln. We hit it off instantly with our cars. His 37 Coupe and my 39 Coupe were identical in color. Midnight Blue. In fact we took pictures of our cars sitting together because of their close match. We met annually at different shows, Columbus and others. Always striking up a conversation about the cars... He was a special guy and I was shocked to hear of his passing today... that was tough news to hear.

“ Gary was always quick with joke and had the hardiest laugh. Gary introduced me to “car shows.” He would take me to the Ottawa and “Back to the 50s” show. I was so proud when he would introduce me as his friend. Gary was a true friend and I will miss him.

“ *To Dee and family,*

My heartfelt sympathy goes out to each of you. Having served with Gary on the Equitable Board of Directors for many years, I grew to respect him for his knowledge and commitment to the bank. He was very active as a director, respected by other members and management, and somehow managed to throw in his humor in stressful situations. I enjoyed sharing hunting stories with Gary, and social events with Dee, Gary, and my wife, Arlene. His presence will be missed, but his memories will continue.
