“ I live in California and was a former work colleague (who became a close and good friend of Gary) when he worked for the Country of Santa Clara. Gary and his wife, Judy have remained good friends over the years and I value having had Gary in my life. Judy and I will remain lifelong friends, I am sure. He had a wonderful sense of humor, saw the fun in life and lived every day with a positive and fun-loving spirit. He will be missed forever. Rest in peace my dear friend. Phyllis Perez-Sorensen

“*Judy and Girls. I am so very sorry to hear about my buddy who I thought the world of and who I got the privilege to come and know working with him at video kingdom. He was the most caring and hardest worker I have ever met. I looked up to him like he was my dad. We had tons of great times at work and after work , when the gang would go have a few drinks and watch the king of pool shooting do his thing. He was truly a great man and will be missed forever and I have lots of cherished memories. Judy and girls take care of each other and please know I am thinking of you always! Always a special friend Robin Pichler*
