“ *I have known George for many years. We did all of his work at our body shop. George was such a sweet and charming young man with a heart of gold. I was totally shocked when I read the obituaries in the paper yesterday. He was always so pleasant to visit with and enjoyed when he would come in and you could share a laugh with him. He is in God's hands now. My deepest sympathy to his family. RIP George and God Bless his family. Karen and the gang at GI Body Shop.*
