“ *To Georgia's family and friends---my parents were great friends with John and Roma, and I knew all of the family for years when I lived in Grand Island. Georgia was always upbeat and friendly, and while it's probably been 40 years since she and I were in contact, the memories remain. Our prayers and sympathies to all of you.*

“ *The air is full of love as I whisper this song to you, Like the beauty of the dove everlasting peace shines through.  
I know God now has you home, I know I shall never be alone. The love of you which I keep for me is what I have with Gods belief.  
I cannot say goodbye, I can say I love you more.  
And that is the greatest love in this world.  
Thank you Aunt Dede for loving me so dearly.*

“ *I lived next to Georgia during the worst year of my life. I had 2 small children and was going through a divorce. I became very ill. She was my angel. She played with my boys and loved having them over. She kept an eye on them so I could do a few things around my house. My boys are devastated by her passing. We love her so very much. She was a blessing in our lives.*

*Love Eva, Henry and Jack. We love you Georgia*
