“ Jerry Billington was my Son in Law. He was such a kind person. He did so many wonderful things for me as his mother in law. But called me mom. He treated my daughter so wonderful. Not many people can say that about their sons in law. God bless you Jerry. Will never forget you. ❤️

“ I have so many great memories of you when I was young Uncle Jerry..I remember spending lots of time with you..but my all time favorite was back in 1992!! I know 1992 that was long ago!! My high-school graduation...my friends, cousins and myself were all having a slumber party in a grave tent of all places in Dannebrog and you came and crashed our party..you actually made it better!! You snuck us some adult beverages!! We had some great laughs that night with you! Now to top it all off you went into the cornfield to go to the bathroom and I believe you got lost in the field!! A memory I will never forget!! I hope you gave grandma a kiss for me and as you said to me when we last spoke...I love you more than you will ever know!!

“ If my memory were like the pages in a book, Jerry would take up many chapters. From our days of pheasant hunting, cheering (and jeering) the Huskers, to the all night card games and polka dancing, we had had a blast. We'll remember Jerry as the life of any party, and always there when you needed a helping hand or friend. Thanks for the memories brother, we're gonna miss ya.
