“ *Glenn was one of the coolest human beings I've ever met.. hearing of his passing breaks my heart. I first met him in treatment in 2009, and we became quick friends. I was the ballerina, lol, always doing parallettes, and he never let me live it down 😂 we went to a highly suspect concert in April of 2016, one of the greatest concerts I've seen, and now I'm glad to have that memory with him. I'm gonna miss you, my friend, fly high.. MCID*
