

## Gloria Leigh Glover

January 3, 1929 - May 1, 2017

Gloria Leigh (Martin) Glover, 88, passed peacefully from this life to her next on May 1, 2017.

Visitation Services will be from 5 – 7 PM, on Thursday, May 4, 2017 at All Faiths Funeral Home.

Funeral Services in Gloria's honor will be at 10 AM on Friday, May 5, 2017, at All-Faiths Funeral Home in Grand Island. She will be laid to rest next to her husband, Alvin, in the Central City Cemetery following the service.

She was born January 3, 1929 to Leslie and Nina (Dughman) Martin and raised in Central City, NE.

Gloria was united in marriage to Alvin Glover in Lexington, NE on January 3, 1948. Together for over 66 years they raised six children, Dennis (Phillips, NE), Diana (Grand Island, NE), Deborah (Northome, MN), Terry (Phoenix, AZ), Larry (Marina Del Rey, CA) and Sheri (Spearfish, SD). She was a proud multi-generational Grandmother to 78 grandchildren over four generations.

Gloria and Alvin moved to Grand Island in 1961 and remained there the rest of their lives. She became a member of Trinity United Methodist Church upon arriving in Grand Island and it played an important role in her and her family's

life. While she loved to travel and visit her grown children, home was her favorite place where she always cooked more than needed and laughed more than most thought possible.

Gloria's house was rarely empty as the sounds of her own children, her many grandchildren and also the many children for whom she provided childcare for over 40 years usually filled the house. It was rare a child ever left her house hungry.

Gloria was preceded in death by her parents, brothers Darrell and Orville, sisters, Beverly and Joyce, grandson, Jacob, and husband, Alvin.

In lieu of flowers or other memorials, Gloria and her family would prefer you spend time with your remaining parents or children, smile and love them a little more today.

“ *There are not many individuals I have known in my life that were truly as wholesome, sincere, and genuine through and through. One was my late Mother, the other was Gloria. Gloria is the type of person that could travel through a lifetime and never have a single person have anything to say about her but good words.*

*When she left the house Monday, I took a deep bow in respect because I saw the Halo above her head for all she had done for everyone during her lifetime.*

*I will always remember her and Alvin. Not many I have run across can match their genuine goodness. Those two gems were models of what a person should be during a lifetime. Prototypes of a model human being.*

*Now they are together. It was an honor to know them both and they will never be forgotten.*
