# Tribute Wall

“ Sweet sweet Halee. I am so Blessed to have a small part of your precious life. Although it was only a couple of short visits, they are precious memories I will hold dear. Your beautiful quinceanera, and then when you came to my wedding in Texas with your grandma and Aunt Sylvia. Your beautiful smile and kindness will never be forgotten. Until we meet again my sweet cousin.

“ It was my privilege to teach Halee in second grade at Knickrehm Elementary. She was bright, cheerful, helpful and A JOY to have in class. I was so proud of her, after having brain cancer, that she went on to become a pharmacy tech. It was such a pleasant surprise when she started working at Shopko Pharmacy! She always greeted me enthusiastically. More recently I saw her a few times while she continued to have health issues. She stayed positive and always had a happy greeting!  
May you find comfort and peace knowing you loved her with all your hearts.

*Sincerely, Norma Gauthier*
