“ Will absolutely miss seeing Herb and talking to him about life, fishing, hunting or knife making and sharpening. Herb was always a pleasure to see and always seemed to have a smile on his face. The good thing is that it seemed there may have been some orneriness and a bit of spit and fire behind him too. I'll remember Herb as a solid and sincere man. It was an honor and blessing to know him and have him our life for the time we had him. Our sincerest prayers and deepest sympathies. Justin and Jenny S.
