“ *Jack and Mary I'm speechless. When I first drove to Grand Island, I stopped in Missouri and called Scott and told him I can't come. Of, Scott being Scott talked to me into coming out to Grand Island. Both Mary and Jack opened their hearts to me and my kids. Ya'll treated them like you would your grandchildren . I never will forget that. Ya'll accepted all of us. I know how hard it is on you Mary. Jack and Scott passed away on the same day , Ne time. I know when I called I always talked to Jack too. Mary, I am so sorry for your loss. Jack is a great man. He will be missed by so many . I'm sorry I won't be there tomorrow but I will be watching. I love ya'll and miss ya'll too. Scott and Jack are reunited and probably haven't stopped talking. Mary, you can call me at any time. God bless you and the family and friends.*

“ It feels like no time has passed since my father's death. I remember seeing Mary and Jack within the next few days after they flew down to us. I am sorry for your loss Mary. With a heavy heart, I really wish I could have brought the family to visit before anything like this happened. Jack always welcomed my sister and I with open arms when we visited with Scott. Jack and Scott will always be looking upon us. He will always be in our hearts and thoughts. - Michael Martin

“ My deepest sympathy to the Stolle Family, so sad to learn of Jack's passing. He will be missed, always had a smile and friendly. He always took the time to stop and visit awhile. He was a good man, and a kind man. Prayers for peace while you grieve, and rejoice that he is home with Jesus no longer in pain. God's Blessing
