“ *We were so sorry to hear of Jackie's passing. Though we "third" cousins never got to see each other very often, our mothers were close and kept us up to date. Each loss has left a void in our family. Our thoughts and prayers are with the Steinwart and Tridle families. With deepest sympathy, Kay (Evans) & Don Lucas*

“ *I was surprised and sad to see where Jackie had passed away. My memory is of Jackie telling me that she thought God had brought all of you to St. Pauls to be part of the Disciple Bible study. I loved having her and you, Del and Joni, as part of the group, May God's promise of eternal life for Jackie bring you peace and many wonderful memories bring you comfort. In Christ's love, Vicki and Bob Rye*

“ I'll never forget Jackie; she was the one that sat at the right hand of all the plant managers the whole time I was at New Holland (and that was 25 years). Always graceful and unflappable, with a witty sense of humor, she was a pleasure and delight to work with. My condolences go out to the family and, for whatever comfort it may bring, know that Jacki left behind many fond memories for those of us who had the pleasure of knowing her.
