“ *Jackie was a special lady, friend, volunteer, employee who loved her family and to talk about them. She always was kind to people and at my office that was upmost. She was attentive, reliable, always well groomed, and added great value to our Team. She cared about my family. Jim and I are SO glad we saw her a couple of weeks ago at Good Sam and were deeply saddened to hear of her passing. Julie and Jeff, I was not surprised when we met you to see her legacy of wonderful children. I'm certain the grandchildren are delightful. My life was blessed knowing her. Dee Price*

“ Dear Jackie and her husband Ed were wonderful neighbors and friends of my parents (Ed and Marie Sekora). She was always ready with a smile and hug (with a tasty dish in hand) whenever we kids were visiting. Our thoughts, prayers and deepest condolences are with her family at this time. Jackie was a treasure and she is now a special light in heaven.

“ Ed and Jackie were neighbors to my parents when they moved to Grand Island. They became great friends over the years and became part of our family. They would get together often over a cup of coffee and whenever one of the Sekora kids would come to visit we almost always talked with them. Jackie was always there to help my mother in her later years and what a blessing she was as she brought over delicious dishes for her. She will be missed. Our prayers are for you.
