“ *When my husband and I retired, we became mall walkers in the winter months. We used to see Jim and his brother Ken, walking together each morning. When Jim stopped coming with his brother, we tried to ask Ken about him when we saw him. Although I never told him, Jim reminded me, in his appearance, of my own father, who passed away 5 years ago. I know Jim will be missed by so many. Ken, I am so sorry for the loss of your brother. It was so very nice to see you leaving Super Saver the other morning. Many blessings to you. Again, so very sorry. Cindy and Daryl Kelley-Grand Island*

“ *I'll always remember growing up in GI and helping Dad on his milk route. He would wake us up at 3 am, going out to Fairacres Dairy. Jamie, Greg and. Would wait n the car for Dad to load his truck for the day. Then, he would come pick us up, and we'd start our day. We would race each other up to the stops and see who could deliver the milk, and dairy products and get back to the truck first. Then about 7ish, Dad would treat us to breakfast at the Conoco cafe. Then, we would finish our day with Dad. Usually, we had a Little League Baseball game. I'll always remember those times fondly.*
