“ *So sadden by the news of Jim's passing. It has been a long time since our paths crossed, but memories still remain. One of the last times I recall, Jim came calling to our home in Rifle, Colorado. I hardly recognized him, but Mary my wife new it was Jim. We spent a little time visiting before he moved on. Best we did after that was Christmas cards and letters. I have a photo of Jim's Granddad with my mother on their wedding day. I was blessed to visit his Grandfathers grave site in France. Our prayer and well wishes to the family and friends. Wish we could have been there.*
