“ Dear Ronald and Cynthia,
My name is Angel Gay and I worked at Wells Fargo Bank where I had the privilege of meeting Ronald and Jan, I remember they would come into the bank holding hands everytime. I seen Rons' love for Jan even when it came to the time she could not accompany him at the bank. He always glowed when he was with her or talked about her. He always stopped by my office to visit and I enjoyed it so much. I had the opportunity to meet there daughter Cindy and worked with her many times. She was such a great caregiver and patient person with her parents. Im sure she still is. I know Jan is watching over your family and now she can remember all of you and your memories you shared. I bet she finally has a big smile on her face too. God bless you all and I will keep you in my prayers.

sincerely
Angel M. Gay
