“ *I am so sorry for the loss if your beautiful mom! Whenever I would see her she would have a smile on her face and make every effort she could to talk with me. She fought a good fight and with eternal life comes her healing! Prayers for you, her family, as you travel through your lives now, without her.*

“ My deepest and heartfelt sympathy to all of you for your loss. My memories of Jan bring a smile to my face, as that is what I remember most -- her beautiful smile and her infectious laugh, playing cards, our family picnics and happy times at the Platt Duetche with mom and dad. I wish for all of you, that the memories you have bring a smile to your face and wipe away your tears of heartache.

With my love,
