“ My Aunt Janis was an example of how to live your life and how to be a good friend, mother, and all around human. She was my second mom after mine passed away and I could always count on her to be there for me no matter what. She was not perfect, but she was pretty darn close. I know that I will fall short, but I will try to be like her every day because she meant the world to me and to so many. Rest in peace and I'm hoping that they play cards in heaven!!! Love, ❤️ Cathy

Janice was one of the kindest, sweetest and most caring people I have ever known. She and many of the awesome neighborhood ladies had Get Together Club, Bowling in Brooklyn and playing golf to keep the fun going whenever she wasn't playing cards. My Mom, Bonnie Shepherd did all of those activities with her along with Gretchen Goetz, Mabel Dowling, Sherry Renner and Nancy Shoemaker. I was lucky to enough to bowl on the same league and sub on golf sometimes. Janice was always a hoot and a half. A very special lady who knew how to have a great time. My condolences to her beloved family.

Janice was a wonderful sister-in-law. We had married brothers. She loved playing cards and was interested in all family. We had many good phone conversations and tried to solve the world situation. she always used her humor. even when the police came to her house when her medical alert went off in the Nighy. Just laughed and could not figure out why they were there. She and Jack had many fun times together. My husband Bob enjoyed her alot and missed ahe and Jack when they had to leave the area. Rest in peace Janice!

“ I was blessed with the friendship of Jan while we were living on Silver Lake. We continued to enjoy our friendship with telephone calls and online messages when she moved to Nebraska. She was warm, loving and helpful. I will miss her very much.
