“ Dearest Dad-☐☐ Sending love to you in Heaven. ❤️ It has been 3 months since you left to be with Lord Jesus and Mom. The house is empty and quite and is being cared for and will be as if you and Mom were here.

No getting you up in the morning for your breakfast meal with coffee and medications, no meals to be made all day with pecan pie, no mail to be picked up, no laundry to do, no phone calls, no reclining in your lift chair for a nap with your blanket, no looking out the window, no reading the newspaper nor car magazines, no driving to medical appointments , no watching TV, no more hospital stays, no more home health care, no hearing you walk through the house with your walker, no helping you into bed and tucking you in at night to pray over you and saying goodnight. No more talks but I do hear your voice singing to Elvis. Your clothes and shoes are still here and will be.

Pictures hang on the wall and books to look through. I still see you sitting on the bench in front of the house. But you are well now. No more doctors, hospitals, medicine, suffering and tears. You are at peace. I miss you. One day to all be with Jesus. 🎩👔👞 Lots of Love, Your Daughter Shireen

Kenny and I are really going to miss him !
