“ I send my sympathy to Jayne family, she was a special person. Years got away from us and we didn't see each other, but always kept track of her when your mother was still with us... One memory that I have was she was going to stay with her Aunt Helen but didn't want to be there alone, because there was no one to play with, so Helen ask my mom(Ethel) if I could come to stay also? was to be over night!!! I remember going and having a good time !!! till night time and I got home sick (only a mile from home) and mom had to come get me.. We had a lot of great times at club that our moms belonged to.May your memories bring smiles to you in the future, knowing that Jayne is with her Heavenly Father.

“ I am so sorry to learn of Jayne's death. Our family valued all of her work and friendship through her years in extension and working in 4-H. She always seemed to have a smile on her face! Even when her health prevented her from working at the Extension office, she was always upbeat whenever I saw her. I regret that I cannot attend her funeral since we now live outside NE. Please accept our sincere condolences. May she Rest In Peace.
