“ *My sympathy to Jeanne's Family and those who loved her. We used to work together years ago at Parkside Care Home. She was a hard worker and a good woman, always liked her..I always wondered how she was while driving down the street where you lived at the time, makes me sad to think she is no longer here. God Bless her, and keep her while you mourn the life you loved, May you find comfort in knowing heaven is for real, you will see her again..*
