“ *Pooh Bear and his sister, Mary were friends while growing up in Holdrege and thought of fondly.*

The most vivid memory of Pooh Bear that I have is while playing frisbee in the south park he gave me my first and last Red Man chew. "Help yourself" as he extended that white pouch with the Red Indian on it.... the rest is "green" history, never to be repeated again!

Of course there were lots of other good memories.

Rest in peace Jeff, until our eternal paths cross again.
