“ *Dee Dee, Vonzelle & Family: Jennifer & I shared a lot of memories together like going to danger football games, movies, eating out. Celebrating our Birthdays together. We even went to the State fair, concerts. She was a lot of fun to be around. I am glad I got to meet her. Just know she doesn't have to worry about her health issues any more and she is free. Thanks Jennifer for the friendship and rest in peace until we each other again.*
