“ *Jerry,*

*Your smile was infectious, your Studebaker was classic, and your friendship helped me through high school and college. I'll always remember the football games, the track meets, and the pheasant hunts. Good bye old friend.*

“ Jerry was a fun person. He remembered everything and was happy to share those embarrassing memories with all. His funny laugh was courageous and lead us all into laughter. He loved to play cards, i think Donna and i won once. Back in the early days Jerry had a date with my friend, Linda. We were double dating to a dance in Columbus. They wouldn't let us in because Jerry was 21, to old. So none of went, don't remember what we did. I always treasured our friendship. Donna and girls my sympathies Jerry will always be missed.
