“ *So Sorry to hear about Jims passing. I Graduated from Northwest High with Jim and Deb. They were good friends in school. I used to cut Deb and Jason's hair when they lived in Grand Island. Was all ways good to see Jim at our class reunions when we had them. Remembering and honoring ones memory and Sending you deepest Sympathy!*

“ I've always thought it was so sweet when you guys came to Las Vegas and called me to meet you for lunch! After so many years it was just nice to see you all. Jim was a very nice man and he is gone too soon. Prayers of comfort to your family.

“ Jim, I will always remember the Dad you were to Jason and Brooke, and the Grandfather to my kids. Thank you for all the things you've taught them, and stories you shared with them through the years. Thank you for all the cooking tips and cooking gadgets you showed me long ago, you always did love to cook and feed people! You are gone too soon, but will never be forgotten.

“ Jim was a great guy. Always had a smile on his face. Jim had some really nice cars. Kept the Quarter mile lines in good condition on hwy 69, and used them often. With a little assistance, rang the Chapman bell, many times. Kept some of us laughing and others on their toes. He has always worked hard. I used to wish he was my big brother, Patti said that was okay! When I think of Jim, I will always smile. I'm sad that he's gone, too many years too soon. My thoughts, prayers and hugs are with the family, Cindy, and friends.
