“ *JoAnn was one of those people from high school that you will never forget. Her wonderful sense of humor and laugh. Even though we hadn't spoken in years I have thought of her often and wondered what she had been up to. I know now that she had been doing great things in the world of Healthcare. Thank your being my friend. Rest in Peace my friend. Until we meet again. Love you. Prayers for the family.*

“ One of the many, good memories, of JoAnn, is when a group of us took the wrong trail around Sylvan Lake, after lunch during a Carroll family reunion. She could take an unpleasant situation and have everyone laughing. So very grateful for all of the laughter JoAnn.
