“ *Your father was a kind and good man. He was always so proud of his garden and his trees. whenever we would stop by he always showed saul his garden and gave us fruit from his trees or produce from his garden. He also really enjoyed when saul would take him seeds or chili peppers from our garden. Your Mom was a good woman as well. She was always so pleasant and nice to us and welcomed us into her home. She loved you all and loved her grandchildren. Our prayers are with your family.*
