“ *Always had fun sharing a day at the horse races with John - and June & Lisa - We may not have picked many winners but we sure had fun fishing for them!*

“ *Dad always loved fishing. He took me and Tom Hessel out many times where we made memories that I will always have. Dad was able to go crappie fishing with his grandson Hans this past summer and it was memorable for the company that was there and the amount caught. Special thanks to Tom and Lisa taking him fishing when I couldn't I can never repay your taking care of him.*
