“ *I met John in 2005. I liked him from the beginning. He was a very patriotic and a proud American. I am glad I had the opportunity to call him a friend. Went to many tractor events with him. We made many trips to Silver Creek to get parts for tractors. He was a very caring person and when he liked you, it was as if you were part of the family. I too will miss him, like his family. May God provide comfort for all of the family and may He bless each of you daily. Lou Tjernagel*
