“ *Alice, Mary, Michael, Mallory, Miranda;*

I sometimes say in hospice we meet some of the nicest people in the most unfortunate circumstances. It was a pleasure meeting Alice, and Miranda, while stopping to see John. I regret I didn't have the opportunity to meet the rest of you, but I did enjoy seeing your photos displayed around the room. I recall the one occasion in which John was awake enough to attempt to communicate with me. He didn't say much more than a few indecipherable words, but he made eye contact, and looked as I flipped through his motorcycle calendar to show him the photos. Dan did a nice job with the service. You will all be in my continued prayers for the days ahead.
