“ *Jack,*

*You will always be my brother in my heart. You don't have to see a person every day to remember them . I have never forgotten you or the memories we shared growing up. I was always proud to call you my brother, a very handsome and charming man with a very loving heart. Rest in peace and may God bless your family and friends who meant so much to you and shared your life.
Love from your sister Annette who you always called Nettie*
