“ Our thoughts and prayers to you Phyllis.
We are in Arizona at our winter home in Desert Hills for the winter.
Rhonda just said she remembers Johnny teaching her to water ski.
She and Janel were always knocking on your door asking if Johnny
could come out and play!
You two were such Great neighbors to us!
He will be missed here, but we will meet up in Heaven one day.
Love from Doug and Korlyn Grosch and families.

“ Uncle John, so many memories through the years. My first pheasant hunt with you and your 410. I didn't shoot any birds that day but you helped me shoot my first tin can.

Will never forget watching you work the dogs, Duffy and Pete. And your parakeet.

Your basement was always amazing because of the planes.

It didn't matter why, just always looked forward to seeing Uncle John and Aunt Phyllis, just because it was always so fun.

Take care Uncle John, have a safe journey, say hi to Dad for me and you two behave yourselves!

Love you,

Rick Anderson
