“ *It was on a 4th of July, when me and my family lived next to the Billingtons on 8th Street. We always kid it should've been called Billington Avenue, because there were 4 house on that block that belong to Billingtons, from the mother and 3 sons. Anyway I joined the Billingtons to celebrate 4th of July, what makes me remeber this one particularly, that Jon Jr was so into setting off fireworks. He made it fun to watch. It was the best 4th of July celebration I have ever celebrated.*
