“ *To the family and friends of "Taco", so sorry for your loss. I hope that your precious memories and the moments shared together get you through this difficult time. One thing that has helped me, when we lost our son, was God's written promise for all those who fall asleep in death. And that is, that they will live again. My condolences to you all and may you too find comfort in these words. Acts 14:14,15*

“ *Melissa and Family,*

I am so sorry to hear of the loss of your dear loved one. I did not know Joe but it sounds like he lived life full and left many happy memories for you all. What a blessing that is because it is very true like they say it is not what you take with you but what you leave behind and he has left you all with many beautiful memories and love. What a blessing that is in itself. My heart aches for you all as I know the pain of losing a life you cherish and for someone so young and vibrant. Know that he is always with you as that is what gets me through sometimes.

Bless you all
