“ Kevin and Peggy,
There are no words to comfort you right now.
I am so sorry for your loss. May your good memories comfort you.
Talking and sharing memories will keep your son Josh alive in your hearts. So sad when they are gone so young. God must have needed him close. May he rest in peace. Praying you both find some peace too.

“ One funny memory that comes to mind was the day I went into labor with our son Payton. You came to Tasha’s house to get me all in a panic freaking out because my water broke you actually drove with your hazards on all the way to the hospital. Later that day you and my mom brought in food and the only time I cussed that whole time was to tell you get that f**cking burger out of my room because it made me nauseous. So you threw it away since you didn’t want to leave me. Well Mr. Payton was born and a little while later I was hungry and I ate your hamburger lol. We did have a lot of good memories and those are the ones that will live on for me and Payton. The past is forgotten. You will always hold a piece of my heart and will never be forgotten!! Thank you for two of my most cherished living things Payton our son and Indigo the cat you surprised me with, she is 14.5 years old and going strong! Rest In Peace Blue!!

“ ONE OF MY MOST FAVORITE MEMORY OF MY SON WAS THAT NO MATTER WHO WHAT WHEN OR WHERE, IF SOMEBODY CALLED FOR AUTOMOTIVE HELP HE WAS THE MAN! THESE PAST FEW YEARS HAVE BEEN SUCH A STRUGGLE FOR YOU TO GET ON THE RIGHT PATH, NOW I KNOW IN MY HEART YOU ARE NOW.

“ It's been awhile since we hung out man but one time some years back you had got a place, I don't even remember where, but you invited me and my brother Jamie out for a BBQ. We showed up a little early and you were all over the place, prepping food and getting the back yard mowed. You were so proud to have that place to take care of and BBQ with friends. I wish there were many more like it man

“ R.I.P. Joshua Blue Perkins. You were and always be a part of mine and your son's life (Andrew Blue Hird Perkins). I promise that I'll always keep the memories of you alive. So our son will always be reminded of how amazing, and wonderful of a person you were. We both have so many cherished memories of you. My most Cherished memory of you, was the birth of our son. Even tho we didn't always see eye to eye. I still cared for you very much. It hurts me so much that your life had to end this way. I just wish you new how important you were to so many people. Just know that Andrew loves you so very much. You were his world, and definitely his HERO!! He looked up to you so much. Just yesterday I told him this... If he start to really miss you. That he just needs to look in a mirror. Because you live on within him. Everything about you lives on thru him. Well until we meet again,we love you and will always miss you!!

“ Although it has been some years since I had spoken to Blue, I have so many cherished memories with him. From the epic 10th street parties to the day his youngest son was born, he made a lasting impression. The Blue I remember never met a stranger. A big kid at heart and the life of the party. He was such a kind soul. You will be dearly missed Joshua “Blue” Perkins. Rest In Peace, man. Love ya!
