All Faiths Funeral Home is serving the family.

Judy was born on February 20, 1944 in Ord, NE, daughter of Ernest and Leona (Jensen) Szwaneck.

Judy is survived by her children, William "Bill" Seacrest III of Lincoln, Patrick Seacrest of Hawaii, Marie (Mark) Bentley of New Hampshire, and Jay (Natasha) Seacrest of Grand Island; granddaughter, Ashley Bentley of New Hampshire; sister, Sandy (Loren) Cronk of Burwell; along with numerous extended family and friends.

Judy was preceded in death by her parents, husband, William and sister, Pat. Judy was raised and received her education from Burwell.

On December 20, 1964, she was united in marriage to William "Bill" F. Seacrest Jr.

After their marriage, Judy and William moved all across the country, following his Navy career. She loved being a mother and caring for her children. She adored the little children, and cared for the infants in the military daycare and, after her husband's time in the service, church daycares.

Judy found beauty in everyday life, she loved to collect Disney figurines, and four-leaf clovers. She enjoyed searching any clover patch she came across to find all the four-leaf clovers until she had collected a jar. Judy embraced the comfort and peace she found in her Catholic faith. She never had an ill word to say of anyone. Judy will be remembered as an amazing mother, grandmother and friend.

Memorials are suggested to Alzheimer's Association Nebraska Chapter.

“ *Since the day Judeen arrived at Edgewood Vista I had the pleasure to care for her. I was drawn closely to her the moment i met her. We had numerous moments laying in her bed together laughing and taking pictures or having our friday night "slumber parties" as with all the other residents.I am very blessed to have gotten to know her and held her hand in her passing. She will be remembered and missed dearly.*

“ *I went to high school with Judy in Burwell. Her and Eva Jo were closest of friends.
Our class of 1962 had fun with Judy. She came to class parties, and reunions after graduation.
I esp. remember one evening Judy & Eva Jo, picked me up at our farm south of Burwell. We went to few places around Burwell checking out where to have a class party. Judy and I were phone buddies till couple years ago. Judy will remembered by our Class of 1962.*

“ I remember Judy as a warmhearted loving person. Always kind and sweet with all she said to you and about others. I know to her the children were her best accomplishment. She raised them to be warm and loving adults. My prayers and thoughts are with the family. Sincerely with love, Jan Verbeek.

“ A privilege to have Judy as my sister in law since 1964. She was kind, loving and always thought of others before herself. Life as a military wife spending many months at a time caring for her children without the support of having their father at home to help was quite a challenge and one Judy welcomed and embraced. In all of our years as "sisters" she never complained about the hardships of being uprooted and being relocated to where she would once again need to familiarize herself with all of the tools needed to raise her family. Each of us who were blessed to share a bit of life with her will forever be grateful and know that we were blessed. Now Judy is home with her Lord. Her abiding faith is now fulfilled as she enjoys her heavenly home minus any of the pain or anxiety that this dreadful Alzheimer's Disease burdened her with. A life well lived. God's speed, dearest Judy. I will always have you in my heart.

I went to high school with Judy. I have memories of her love of music and she would rush home from school to listen and watch American Bandstand. Judy new all the steps to the different dances and would show how they were done. The last we met was in Lincoln for a sandwich downtown and had a good visit. Thanks for the memories. The last time I saw Judy was in 1957 as my family departed Burwell to move to Colorado. Even though gone for a long time, I still am drawn back to my roots to check in on my memories and the 'kids' who made a difference in my life. I will have a Mass offered in Judy's memory on February 20th. Blessings on her, her family, and all the Burwell gang.
