

Julie Ann Bullis

June 11, 1957 - November 10, 2021

Julie Ann Bullis, 64, died of early-onset Alzheimer's disease on November 10, 2021, at her home in Grand Island, Nebraska.

A memorial service will be held Saturday, November 20th at 10 a.m. at All Faiths Funeral Home, located at 2929 South Locust in Grand Island, Nebraska.

She was born June 11, 1957, in St. Paul, Nebraska, the daughter of Roy and Dorothy (Leachman) Olsen.

Julie attended St. Peter and Paul Catholic School and graduated from St. Paul High School, class of 1975. Following graduation, she attended Kearney State College and the University of Nebraska at Lincoln, where she graduated with both a B.A. and M.A. in Speech Pathology.

In 1979, Julie married Doug Bullis, and they recently celebrated 42 years of marriage in July. Together they have three children: Justin, Nathan, and Jenna, and seven grandchildren: Finley, Emery, Emerson, Adelaide, Coraline, Lydia, and Declan. Julie dedicated her life to her family as a devoted partner, cherished Mom, and beloved Nana.

Julie had a lifelong love of music, playing piano and singing with Doug on many occasions throughout their life together. Another one of Julie's passions was working with children who had special needs, both in her early years as a speech therapist and later as a special education paraprofessional.

Survivors in addition to her husband and children are her sisters, Sharon Samuelson and Bonnie Meyer; along with her brothers, Jim Olsen and John

Olsen.

“ My heart aches for you today Doug, I am sorry for your family’s loss. I cherish the time I shared with you, Julie and the boys when you were Family-Teachers at Boys Town and I was your Assistant. Julie had such a loving heart! She touched many. I found myself singing *Bulldrogs and Butterflies* have both been Born Again this morning.

“ Dear Bullis Family, What a beautiful memorial service for Julie. She was a much loved wife, mother, friend, sister and nana.....so disappointed we could not be there in person but we were with you in spirit. It was so special to hear her laughter on the memory video.... she was one of a kind. We love all of you and grateful for the time in our life where our paths both were in Cedaredge. May your memories bring you comfort and peace, and above all knowing that "When we all get to heaven, what a day of rejoicing that will be!" Much love to all of you. Our prayers will continue to be with you as you mourn her passing.

“ *Julie was a special girl to Larry and me. She worked for us at our drive in during her high school years. We have so many great memories of her. Larry passed away August 29th and I'm sure the two of them are sharing stories up in heaven. God's blessing to all of you.*

“ *Love to all. Roy and I were first cousins. My earliest memory of Julie was when she was a few weeks old and I went with Roy, Dot, Sharon, Bonnie and Julie to Colorado to visit Dot's family. Julie had measles but we told everyone it was a heat rash. Francie Rasmussen Ostermeier.*
