“ I played Minecraft a lot with Kathryn, along with other people, and we were a good group of friends. She was always a joy to be around with and the nicest person you could meet over the internet. She was always supportive and lifted everyone's spirits.

“ *I was Kathryn's Junior English teacher and remember her as a joy to have in class. She had a contagious smile, a pure sense of fairness and honesty that was recognized by many. She was kind, inquisitive, and not afraid to respond with her thoughts to the issues presented in Literature. I also remember her deep respect and love for her family. She will always be remembered fondly with a smile on her face and a chuckle for anyone.*

“ *Dave and Ann,
I am so sorry for your loss and I know there
are no words that can take away the pain the
heart feels when we lose someone that
means so much to us. Just know she is in
God's hands and in a much better place now than the place she left.
Have faith and God Bless you and your family.*
