“ *John & Family,*
I am so sorry for your loss. Kat was an amazing women and will always hold a special place in my heart. She always had that welcoming smile that greeted her customers whether she was having a good or bad day. I am thankful that I got to know her during my short tenure at Rels/ATI Title. I will never forget her contagious laughter and spontaneous personality. May God give you all comfort and peace during this time of need.

Hugs,
